TEACHER CLASS LIST FROM TIMETABLE

Attendance Register

The screenshot shows a web browser window displaying a school LMS interface. The main content area is titled "Classlist" and contains a table with student information. The table has columns for ID, Name, Photo, a checkbox, "Select Merit", and "Select Demerit".

ID	Name	Photo	Checkbox	Select Merit	Select Demerit
0108080186084	DANIELS, TARYN		<input checked="" type="checkbox"/>	Select Merit	Select Demerit
0206035512089	DLAMINI, LINDA NELSON		<input checked="" type="checkbox"/>	Select Merit	Select Demerit
0009255917081	HADEBE, HUGO		<input checked="" type="checkbox"/>	Select Merit	Select Demerit

To the right of the classlist is an "Attendance Register" table with columns for dates (P5, P6) and rows for subjects (ENGLISH, B Fowler, Hall, CLASS 8D, CLASS 9D).

Annotations with arrows:

- A black arrow points from "Attendance Register" to the "Select Demerit" dropdown in the classlist table.
- A black arrow points from "Merits" to the "Select Merit" dropdown in the classlist table.
- A red arrow points from "Photo uploaded by learner from own tablet during registration" to the photo of Hugo Hadebe.
- A black arrow points from "Demerits" to the "Select Demerit" dropdown in the classlist table.
