Free online courses from IsraelX

**IsraelX** is a national consortium of higher education institutions in Israel, led by the Council for Higher Education and the Ministry for Social Equality. IsraelX is the international arm of [Campus - the Israeli National Project for Digital Learning](#), whose goal is to promote general, academic and professional education in Israel in order to reduce social gaps and accelerate economic growth.

Leading academic institutions such as the [Technion](#), [Tel Aviv University](#), [Ben-Gurion University](#), [Haifa University](#), [Bar-Ilan University](#), the [Holon Institute of Technology](#) and [Shenkar College](#) have joined together for a common vision: to provide excellent academic education to all citizens of the world, promote equal opportunities for students everywhere, and provide an advanced and quality response to the dizzying changes in the global employment market.
