Tawakkalna Progress

With unlimited support and guidance from the Kingdom's leadership, the Saudi Data & AI Authority is keen to help realize Saudi Vision 2030 through the provision of quality services in the field of technology. Determined to harness technologies and digital assets, SDAIA developed Tawakkalna Services app aiming to make it a national application to serve all. Tawakkalna seeks to build strategic partnerships to provide value-adding services that ensure sustainability and enrich citizens, residents, and visitors' experience.

**A DIGITAL COMPANION
